

Dear members,

CAPED Executive Board is discussing the possibility of becoming an affiliate of the Association of Higher Education and Disability (AHEAD). You will find listed below some frequently asked questions that our Board has taken into consideration.

We would like our members to review these key points and consider CAPED's affiliation with AHEAD. We would like to bring this matter to our official business meeting at our convention in October.

CAPED's Officers Council and Executive Board welcome your thoughts and questions. Please feel free to contact me or any member of our Executive Board.

See you in Lake Tahoe in October, 2006

Sincerely,

Dr. Lucinda Aborn, President
